waiver – Current and Possibly Finaly

August 27, 2015 by cynthia

This is anticipated to being the final mind-dock for life out of fiction, option to “record” with fully authenticated “Certificate of Live Birth” option for also “Birth Certificate” but NOT the “Birth Certificate” on its own without the “COLB.” Be sure to carefully research and study all terms\ words used.

Waiver

From the beginning, with God as my witness, I, Kurtis, a true man of God, acknowledge all blessings given by God; repent all transgressions against God; and waive all claims without God.

I read somewhere that man is a representation of both man and woman. In the waiver would you suggest that we use man for sentient beings regardless off sex? Or do we specify man or woman?

That is an inspired writing. It appears to be a perfect manumission that completes a novation and delivers one into usufructory dominion and, at the same time, removes one from usury. I can't think of one word to change here. Beautiful, Kurt.
